 20 Idem, 1999c, pp. VII-VIII.
 21 Mesmo *A miséria do mundo* (1999a), sua mais detalhada compilação da vida entre os dominados, trata-se do relato empírico cuja proposta era revelar a perspectiva dos imigrantes e do povo pobre, mas sem entrar em um diálogo com eles. Os entrevistadores precisariam ser cautelosos se desejassem elucidar a percepção e a compreensão do povo, para, mais tarde, conseguirem efetuar aquela ruptura com o senso comum.
